Would you rather see a waterfall or a desert sunset?

Would you rather visit a national park or a small beach town?

Road Trip Games for Nerds

Use these prompts for fantasy fans, gamers, book lovers, trivia people and deeply unnecessary debates.

Fantasy Map Builder

Turn the view outside into a fantasy world. Mountains become kingdoms. Rivers become borders. Gas stations become trading posts.

Dungeons and Detours

The car is the adventuring party. Every exit, rest stop and traffic jam becomes part of the quest.

Fandom Categories

Go around the car naming fantasy characters, sci-fi planets, movie villains, superpowers or fictional vehicles.

The Great Nerd Debate

Debate the best fictional world to road trip through, the worst fantasy backseat driver or the most useful camping superpower.

Logic Puzzle Pit Stop

One passenger gives a short logic puzzle. Everyone solves it out loud before the next exit.

Side Quest Generator

At each stop, create a side quest: find the best snack, spot the weirdest sign or photograph the most dramatic cloud.
